

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH LAWS AND REGULATIONS RELATED TO INVESTMENT GUIDELINES FOR PUBLIC AUTHORITIES

June 24, 2014

To the Commissioners of
Rochester-Genesee Regional Transportation Authority:

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of the Rochester-Genesee Regional Transportation Authority and each of its blended component units (the "Authority", a New York State public benefit corporation, which is a component unit of the State of New York), which comprise the statement of net position as of March 31, 2014, and the related statements of revenue, expenses and change in net position and cash flows for the year ended, and have issued our report thereon dated June 24, 2014.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance with the requirements of laws, regulations, contracts and grants applicable to the Authority is the responsibility of the Authority's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Authority's compliance with its own investment policies as well as the State Comptroller's Investment Guidelines for Public Authorities. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

In connection with our audit, nothing came to our attention that caused us to believe that the Authority failed to comply with the Authority's own investment policies as well as applicable laws, regulations, and the State Comptroller's Investment Guidelines. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Authority's noncompliance with the above referenced requirements, insofar as they relate to accounting matters.

This report is intended solely for the information and use of management, the Board of Commissioners, and the New York State Comptroller and is not intended to be and should not be used by anyone other than those specified parties.
