

# Coming November 28: New Numbers, New Colors

When you ride RTS, we want to make it easy identify which routes go where.

That's why we're rolling out new bus route numbers and colors when the RTS Transit Center opens on Nov. 28. Each route will have its own, unique number. Routes that primarily serve the east side of Rochester and Monroe County will have green schedules; west-side route schedules will have blue.

Here's a rundown of all the RTS route numbers and colors that go into effect on Nov. 28:
