Route Deviation Service

We comply with the American Disabilities Act (ADA) via our Route Deviation Service. The bus may deviate from the route to serve points within ¼ mile off the route, providing curb to curb service. Following an off route deviation, the bus will return to the point on the route it left. If you cannot reach regular bus stops, route deviation may be a good option for you.

To reserve a ride, call during our regular business hours at least one day before your desired trip, and up to one week in advance. Monday reservations must be placed by 3:00pm on Friday. **Route deviation fares will be charged twice the route fare without discounts.**
